

Maquoketa Vision 20/20
Identified Top Priorities
Categorized by Subgroup, in no particular order if importance
12-23-13

3 Focus Groups:

Downtown Revitalization:

- Reconstruction of streets, sidewalks, and public infrastructure.
- Work with property owners on implementing store front improvements and occupancy of buildings
- Work with owner of Mitchell Maskery Building on redevelopment plan
- Utilize green space as a gathering point for community events until space is redeveloped.

Recreation, Arts & Tourism:

- Develop master plan for expansion of recreational opportunities including an outdoor water facility.
- Develop a master plan for the expansion of the trail system connecting existing assets.
- Develop master plan for river front development
- Make the arts a focal point of the community

Retain and Expand Existing Business and Industry:

- Implement ongoing communication program (synchronist) with local business or industries to determine needs, concerns and opportunities.
- Develop programs for assisting local business/industries in attracting and retaining professionals.
- Identify categories of business/industry with great realistic economic potential for Maquoketa market.
