YOUR INPUT

Do you live or work in Maquoketa? Are you a regular visitor to the community? Then coming to this meeting is important to you! Join the City of Maquoketa for an open house on November 15th to learn about the comprehensive plan and provide your input. We need your help to complete the plan. Your ideas will help create a guide for the future of the city.

WHAT IS THE COMPREHENSIVE PLAN?

The comprehensive plan is an important guide that is used by city leaders. The plan presents a vision for the future, with long-range goals and objectives for all activities that affect growth and development of the community.

The plan is "comprehensive" because it covers a wide range of issues. The process of updating the plan gives the entire community a chance to be involved in shaping the future of the city.

Maquoketa completed its last full comprehensive plan update in 1981.
